

QI Specialist Job Ad –05.21.2018

The Colorado Rural Health Center (CRHC), is seeking a Quality Improvement Specialist with the passion and skills to deliver high quality coaching to rural primary care practices throughout Colorado. CRHC is a non-profit organization that serves as the State Office of Rural Health and has been serving the state of Colorado which began in 1991 with one employee and a \$30,000.00 grant and has since expanded to a staff of 20 and operating budget of over 2.6 million dollars. CRHC's mission is to enhance healthcare services in Colorado by providing information education, linkages, tools and energy toward addressing rural healthcare issues. By joining our dedicated team, you will be helping a diverse and inclusive statewide constituency of over 180 rural healthcare facilities and see impact with improving communications in transitions of care, reductions in readmission rates, and improvements in clinical processes, especially for chronic conditions.

We have high expectation for you as one of our Quality Improvement Specialists. You will:

- Provide high quality coaching to our rural healthcare facilities with your knowledge of quality improvement methods and tools plus content knowledge in the areas of:
 - Patient Engagement Strategies
 - Chronic disease management (especially hypertension and diabetes)
 - Coaching for organizational change
 - QI data analysis skills
 - Facilitating and designing trainings for adult learners
 - Practice redesign and patient-centered care
- Function as a key member of the team, often serving as a mentor to other team members and assisting with refinement of existing programs, development of new programs
- Connecting and communicating with other related programs to ensure coordinated efforts and working with other team members to develop materials to educate and inform healthcare providers
- Develop solid working relationships with the organization's members and key stakeholders

You should have high expectations for Colorado Rural Health Center as an employer. Our staff enjoy autonomy to do the work they do best, and you will too. Every day, you should leave knowing that you have made a positive difference!

Colorado Rural Health Center fosters a strength-based culture and focuses on developing your strengths as one of our top priorities. We strongly believe in continuous professional development and work to promote your growth through a variety of professional training resources and opportunities to attend events that foster professional development. CRHC is an award winning place of business, a certified Healthy Business Partner, recognized for its culture of workplace wellness.

If you are truly ready to make an impact on our rural healthcare landscape, we invite to you apply for the Quality Improvement Specialist by emailing your resume and an optional cover letter to

hr@coruralhealth.org with subject line "QIS". Please identify your salary requirements and let us know where you read our Job Ad.
